...

6/22/06: EW sent me draft report for my comments.

6/23/06: I ackn. receipt and said I would have  
comments for him "soon after July 4."

7/11/06: I e-mailed EW to say "I need another week."

7/11/06: EW sent me an updated version of his report.  
I assume it is this version that I commented  
on; I did not keep an electronic copy of the  
version I read, nor can I find a paper copy.

7/17/06: I sent EW an e-mail at about 8.30pm, promising  
my comments by the next morning.

7/18/06: I sent my comments to Wegman (and copied Said)  
at 10.30am. I can't find any correspondence  
after that.
